Kids (ages 5+) and dogs!

Breakfast:

- Start early at [Kawa Coffee](#) for a dog friendly porch

Morning Activities:

- Head to the west entrance of [Palmer Park](#) (off Paseo Road)
- Drive to the [Yucca Flats leash-free dog trails](#). Park there (the earlier, the better your chances are for getting a spot!)

Lunch: **Don't forget to pack a picnic for lunch!

- Enjoy a picnic while sitting on a rock overlooking the city/Pikes Peak view! Don't forget water for humans and dogs!

Afternoon Activities:

- Enjoy the trails on the top of the hill, or follow some down the hill for more adventurous hikes! (The dogs can be leash free, just don't forget their poop bags!)
- Things for kids to do: nature scavenger hunt, name that scat, name that foot print, (and other activities from the activity book). Kids can also bring a bike for the wider, easier trails.
